# *Ghram Beach.. Witness On History*

Ghram Beach “...which dates back to ancient times, the story of the famous royal adoration of the Queen of Egypt Cleopatra and Marc Antonio one of the prominent leaders in the era of the Roman Empire, Cleopatra's rock was a witness to a legendary love story that has been immortal throughout the ages which also witnessed one of the most beautiful romantic stories in Egyptian cinema that was the secret of Ghram Beach fame and later artist Laila Murad sang on it with the most beautiful phrases of love in front of the artist Hussein Sedky during the filming of movie "The Beach of Love" in 1950.

The magic of this beach lives in our modern days with the opening of Triumph white sands Matrouh Hotel on “ Ghram Beach “ which is the most beautiful beach on the Mediterranean sea that highlights the beauty of salt water with graded hues and the breadth of space to be the destination of all lovers.
